Dear Parents / Carers,

Thank you for taking the time to consider King's Wood School for your child.

The enclosed prospectus outlines how the school operates under normal circumstances.

I am sorry that I am currently unable to give you a tour of the school site and the opportunity to ask questions as we go round. However, due to the Covid restrictions this will not be possible.

As an alternative, please do look at our school website for additional information. We will be adding a short video in the near future.

In the meantime, please read the prospectus enclosed and either email or phone the school if you have any further questions. I will be happy to talk to you if time permits.

Yours sincerely

*J Freeman*
