

**Do your parents/carers and students need access to free information and support?**

Exported on 22/11/2018

# Do your parents/carers and students need access to free information and support?

## **Special instructions: For Distribution to families**

In order to give parents, carers and young people the opportunity to access the wealth of information, advice and guidance available through the Buckinghamshire Family Information Service (BFIS) we are sending some promotional postcards to your primary school and would like to ask for your help with distributing these to your pupils to take home. We will send enough postcards for one per child.

We would also be grateful if you could share our website and social media links via your newsletter, PTA, social media channels and any other communications methods you use.

If you are able to help by putting information on your school website we have attached a logo, link and wording for you to use. If you do have us on your website would you check the link is still working and the logo you are using is the up to date version (see attached).

Please do [contact us for support](#) if needed.

Buckinghamshire Family Information Service offers free, impartial information to families with children aged 0 to 19 years (or up to 25 years with a special educational need or disability), young people and professionals.

## **[Childcare and Children's Centres](#)**

Search our Ofsted-registered online directory for childminders, nurseries, holiday, breakfast and after-school clubs. Find your nearest Children's Centre and search for sessions and activities.

## **[Local Offer for Special Educational Needs and Disabilities](#)**

Accessible SEND information including education, school policies, health, social care, activities, preparing for adulthood and support services. Co-produced with parents, carers, young people and professionals.

## **[Things to Do](#)**

Discover things to do in Bucks, from family days out, sports, clubs and groups to school holiday activities. Search by age group, activity type, SEND inclusivity, location, town and free/low cost.

The service is accessible by website, social media, email, phone and in person via outreach.
