

Children are 'born to learn'

You are already your child's first and most influential teacher. Our goal is to help parents give their child the best possible start in life. Parents as First Teachers uses four ways to partner with parents and to help each child reach their full potential.

Developmental milestones will be monitored and supported.

Personal visits at home which include a fun activity and time to express worries.

Parents as First Teachers

Resource networking where other services will be available to you.

Group Connections where parents can learn together and enjoy activities together.
