

Dear Parents / Carers,

Summer term is always a busy time of year at King's Wood with lots of extra activities for the children to enjoy. As we are out and about so much it is important that the children wear sun cream and bring their hats and water bottles. Now the weather is warmer we are happy for the children to wear summer uniform so they can keep cool in class.

SATS Week

Next week is SATs week and it is really important that our Year 6 children are in school. These exams can only be sat during this week so please make sure they come in. Please contact us as soon as possible if your child is unwell so we can discuss options.

To help the children have a positive start to the day we will be running a special Year 6 Breakfast Club from Monday to Thursday. Year 6 children are able to come at 8.30am and we will provide cereal and toast for them.

Transfer to Secondary School Meeting

I will be holding a meeting at 3.30pm on the Wednesday 18th June for Year 5 parents to go through the process of applying for a secondary school place. This meeting will also cover the transfer test arrangements (11+). The meeting will be held in the hall and should last about 20 minutes. I look forward to seeing you then.

Hazlemere Tennis Club

We are grateful to Hazlemere Tennis Club for once again arranging for one of their coaches to come in every week and work with our KS2 children. As part of this they will be offering discounted places at the Tennis Club for children and their families during the holidays. Please look out for the flyer with details of this fabulous opportunity.

Year 6 – Wycombe Youth Action

Wycombe Youth Action will be working with Year 6 this term on Beauty and Truth. This workshop looks at body image and how it is portrayed on the internet. It explores with the children the fact that we cannot believe what we see and how images are manipulated. This is part of our PSHE curriculum and builds on the internet safety work we do with all our children. We hope you will support us with this by regularly checking your children's devices to ensure they are not accessing inappropriate sites.

WOW Day

We will be holding our WOW day on Monday 9th June. On this day we will be focusing on activities that improve our wellbeing. The children will move around a series of fun activities in groups made up of Reception through to Year 6 children. This gives the older children the lovely opportunity to take care of and support the younger ones and makes it a very special whole school event.

Dates for your diary 2025

Monday 12 th	KS2 SATs Week - YEAR 6 PUPILS MUST BE IN SCHOOL
Tuesday 13 th	Year 3 Wisley Gardens Visit
Monday 19 th	Year 4 & 5 Shaking Up Shakespeare
