

NEWSLETTER MAY 2026

Dear Parents / Carers,

It is nearly half term already and it has been a busy one, especially for our Year 6 students who should be congratulated on how hard they have worked to prepare for their SATs. We can now look forward to all the summer events that come around at this time of year.

Do look out below for the musical opportunities available from Chiltern Music Academy during the holiday break.

New Mobile Phone Policy

For safeguarding reasons we will be introducing a policy of no mobile phones on the playground at the end of the day. We have identified that PE lessons can still be taking place at this time when some parents are arriving early for dismissal with their phones out. This means there is an opportunity for photos of children to be taken without permission.

We are asking that you put your phones away while on site but particularly if you are waiting for your KS2 children to be dismissed. Thank you in advance for your cooperation.

The mobile phone policy for your children remains the same and they must hand phones into the office at the start of the day.

WOW Day

This Friday we will be holding our annual WOW day when we focus on activities that improve mental health and wellbeing. The children will be in mixed year groups from Reception to Year 6 and together will move around five activities. One activity is a surprise! The others will involve being creative, musical, mindfulness and exercise. It is always a fabulous day, that is lots of fun while helping the children learn about healthy minds.

Free opportunities to try an instrument at Chiltern Music Academy

Through the 'Find Your Forte' scheme, Chiltern Music Academy offer children in year 3-6 FREE group instrumental lessons for a year with FREE instrument hire. But how can you discover which instrument suits your child?

Instrument Trials

Saturday 6 June, 8.45-10.15am at Wycombe High School, a fantastic chance to try musical instruments for free! Take the opportunity to compare instruments and to talk to the experts about your child, then hear them playing to help make your choice. [Booking essential.](#)

Sound Shop Live!

During May half term, why not pop down to the Sound Shop in High Wycombe? CMA are running FREE pop-up music-workshops and instrument taster sessions in the Corn Market. Take a look at [the website](#) to see what's on offer, and book your place.
